

*We are working for a bright, secure and sustainable future, free from fuel poverty*

**Project Manager – Severn Wye Energy Agency Ltd** (reg. charity 1083812)

Location: Office based in Llandrindod Wells or Gloucester, or home based in South Wales, within reasonable travelling distance of the Wales office  
Salary: £26,000 – £38,000 pro rata, dependant on experience (starting salary likely to be £26K pro rata)  
Hours: Permanent contract, part time, 30 hours per week  
Key Words: Biogas, Anaerobic Digestion, Biomass, Biochar, Project Management, Environmental, Sustainability, Charity

Due to our recent success in securing funding for a new European project, Re-Direct, we are seeking to appoint a project manager to work within our biogas team, who are located in Llandrindod Wells and Pembrokeshire. The post holder will be working on two EU funded projects; Re-Direct and Biogas Action.

Candidates should hold a relevant degree and/or have several years' experience within a renewable energy field. Knowledge of biogas and biomass renewable energy systems is essential. This post requires strong research skills, and the ideal candidate will be self-motivated to work independently.

Duties will include dissemination of project aims and results at local, national and European meetings; therefore good communication skills are essential. A willingness to travel to meetings within the UK and within Europe, including overnight stays, is required.

The successful candidate will be expected to commence as soon as possible.
